

Fitted & Prefold Diaper Comparison

Brand	Ecobaby One-size Diaper	Kissaluv's Fitted Diaper	Kushies Classic Fitted Diaper	Diaper Service Quality Prefolds	BabyKicks Hemptaroo Fleece Prefold
Picture					
Absorbency	100% Organic Sherpa with knit terry. Comes with snap in doubler for added protection from leaks.	The outer body is made up of 2 layers of soft cotton fleece while the inside soaker is 2 extra thick layers of knit terry (more absorbent than 3 layers of terry in most diapers)	Ultra absorbent 8 layers of 100% cotton fleece, plus patented middle soaker flap for added absorbency.	100% cotton gauze diapers that are soft, durable and highly absorbent. The highest quality fabric and manufacturing available makes these prefolds the best we could find.	Extra absorbent diaper for your super soaker baby. Nothing absorbs like hemp fleece
Closure	Adjustable snap closure at the waist gives versatile fit for 6-35 lbs. making it a one-size fits all diaper choice.	Adjustable snap closure at the waist. Newborn style snaps down to protect umbilical cord area and has 2 rows of snaps to give an adjustable rise for quick growing newborns.	Hook & Loop Velcro Closure with medium sized tabs	Adjustable to the build of baby based on diaper folding technique, also a great stuffer for Fuzzi Bunz	Adjustable to the build of baby based on diaper folding technique, also a great stuffer for Fuzzi Bunz
Cover	Cover is needed. We recommend the Bummi's or for premium protection use the Aristocrats wool cover.	Cover is needed. We recommend the Bumpy Velcro Wrap or Bummi Whisper Wrap. For Kissaluv's size 0 (newborn) we recommend the Bumpy wrap...great for fitting newborns and grows with baby via adjustable velcro.	Cover is needed. We recommend Kushies premium wrap.	Cover is needed. We recommend the Bummi's covers.	Cover is needed. We recommend the Bummi's or Bumpy covers.
Fit	Unique snap positions give adjustable, trim fit for 7-30lbs.	Unique spacing of snaps gives versatile sizing while stretchy elastic and fabric make a snug fit without binding. Elastic at leg and back opening make for a leak proof baby. Diaper style is low-rise and rides lower in front than back to prevent any sagging.	Trim fit, no bagging or sagging due to adjustable velcro closure. Elastic sewn internally for good fit, similar fit to hi-cut underwear	Especially trim fit when using the snappi diaper fastener...no pins, no fuss	Trim fit when laid into a snug fitting wrap.
Look	Available in 100% Organic unbleached Sherpa	Available in unbleached and limited edition colors	Available in 5 pack which includes white, yellow, mint, and patterns. Also single diapers available in gender neutral prints.	Available in 4x8x4 layers of 100% white cotton	Available in 2x3x2 layers of luxuriously soft 55% hemp / 45% cotton fleece
Cleaning	Removable snap-in doubler gives quicker drying time.	Diaper fabric becomes more absorbent over time (if proper amounts of detergent and NO bleach or fabric softener are used). Easy to wash and can easily withstand the heat of the dryer.	Velcro tabs fold back for easy laundering. Middle soaker is not sewn in on both ends giving quicker drying time. Can be machine dried or line dried.	Easy laundering, can handle high heat in the dryer	Diaper continues to increase in absorbency with use. You may use any detergent that does not contain enzymes (Allen's Naturally is recommended)
Purchasing Options	Available in single diapers	Available in single diapers, newborn package or economical 6 pack for size 1 & 2	Available either single or in economical 5 pack with reusable zipper bag.	Available single 6 pack or 12 pack	Available in single or 3 pack
